CHAPTER _____

An act to make an appropriation in augmentation of the Budget Act of 2002, relating to contingencies and emergencies, to take effect immediately as an appropriation for the usual current expenses of the state.

LEGISLATIVE COUNSEL'S DIGEST

AB 1761, Committee on Budget. Budget Act of 2002: contingencies and emergencies.

The Budget Act of 2002 appropriated specified amounts from the General Fund, unallocated special funds, and unallocated nongovernmental cost funds for expenditure for contingencies or emergencies upon written notification from the Director of Finance. The Budget Act of 2002 also appropriated specified amounts for loans to state agencies for contingencies or emergencies.

This bill would appropriate \$502,646,000, as scheduled, in augmentation of these Budget Act appropriations. The bill would further appropriate \$70,774,000 in augmentation of appropriations made in prior budget acts for allocation to the Department of Corrections and \$48,273,000 in augmentation of an appropriation made in the Budget Act of 2002 for local assistance to the Department of Social Services. This bill would authorize the Director of Finance to withhold authorization for the expenditure of funds appropriated in the bill until preliminary estimates of potential deficiencies are verified.

The bill would declare that it is to take effect immediately as a statute providing for the usual current expenses of the state.

Appropriation: yes.
